In addition to GCSEs the following qualifications may be considered if at an appropriate level:

- ▶ Applied GCSEs
- ▶ Functional Skills
- ▶ iGCSEs
- ▶ BTEC certificates or diploma
- ▶ Scottish, Welsh or Northern Ireland certificates
- ▶ OCR national qualifications
- ▶ AQA certificates.

Entry criteria for study programmes is as per the website. Some tutors may ask for science as an entry criteria and will state this on the current programme information.

A number of study programmes will have some form of entrance assessment. For example all Construction study programmes have an English and maths assessment and some tutors ask applicants to undertake a task. Other tutors may ask students to submit work by email following an interview.

**Please note that entry requirements may vary between programmes, please contact course enquiries if you are unsure on 01634 402020.**
